Baby, take off your coat real slow  
Take off your shoes  
I'll take off your shoes  
Baby, take off your dress  
Yes, yes, yes

You can leave your hat on  
You can leave your hat on  
You can leave your hat on

Go on over there  
Turn on the light  
No, all the lights

Come over here  
Stand on that chair  
Yeah, that's right  
Raise your arms in the air  
Now shake 'em

You give me reason to live  
You give me reason to live  
You give me reason to live  
You give me reason to live

Sweet darling, you can leave your hat on  
You can leave your hat on  
Baby, you can leave your hat on

You can leave your hat on  
You can leave your hat on  
You can leave your hat on

Suspicious minds are talkin'  
They're tryin' to tear us apart  
They don't believe that it is love of mine

They don't know what love is  
They don't know what love is  
They don't know what love is  
They don't know what love is  
I know what love is

There ain't no way  
You can leave your hat on

You can leave your hat on  
You can leave your hat on  
Give me the reason to live  
You can leave your hat on
