Tasting time on your porch  
Your for certain I'm for keeps  
Colored me out, I'm my own defense  
We painted our past, while I pretend

Well I'll try to love again  
We'll I'll try to let you in  
But I can't divide myself, not yet

Hold on, I'm blown away  
I'm searching for answers, I walk alone  
Hold tight, I'm blown away  
I've made mistakes, I'm just a man

It takes more, than guilt to set us free  
Forgive my fist impression it wasn't me  
Awaked with season, filled with your sound  
Played by my finger tips, way too proud

Well I'll try to love again  
We'll I'll try to let you in  
But I can't divide myself, not yet

Hold on, I'm blown away  
I'm searching for answers, I walk alone  
Hold tight, I'm blown away  
I've made mistakes, I'm just a man

Who am I to steal a reaction  
Was this more than an attraction  
Who is this face inside of me that I see  
Desperate acts nothing left to grow on  
Answer lies deep inside a woman  
Breathe in now make me believe
