I'm a bad bad dog with no house or a home,  
women, whiskey, wheels and the road.  
'Got my 750 howlin' and my shotgun loaded  
I'm full up and about to explode.

'Got my hammer held down,  
and I, I'm Texas bound,  
my fightin' hands are itchin' to fight'.  
Well every lady's crazy when her daddy's not around,  
gonna drink, dance, party all night  
She's gonna drink, dance and party all night

So keep on rolling (keep rolling)  
It's alright (it's alright)  
Keep riding (keep riding)  
The midnight ride!

Right so (fight so)  
Fight so (right so)  
Gonna ride (gonna ride)  
It's a midnight ride!

There's a cowboy who wants to kill me in every single  
city,  
'cause a woman didn't come home at all.  
If those hombres want to fight,  
then they know where to find me with a lady in a  
bathroom stall.  
Reach for the top, gotta stay on the mountain of this  
bad that can get much worse.  
I made a deal with the devil  
now he's pulled my number but he'll have to come and  
get me first.  
Woman tell him to get me first.

Keep rolling (keep rolling)  
It's alright (it's alright)  
Keep riding (keep riding)  
The midnight ride!

Keep rolling (keep rolling)

I'm alright (I'm alright)  
I'm riding (I'm riding)  
The midnight ride!
