Close your eye, make a wish, tell me what your body
crave
Eleven, eleven, is trying to go to Heaven babe
..he wishes my command
I'm saying it's whatever, girl!
And it's whatever girl!
It will be my pleasure, girl!
Girl, you got 'em good, good, goodies
And I'm trying to get some of those
The sexy as you wanna be,
So I'm trying to take off all your clothes
Baby, let's get it on, cause you turn me on
And I know wanna do some freakish!

Chorus:

Girl, be as freaky as you wanna
It's eleven, eleven
Get nasty after hours
I was born this day so you can ride
Ride it's eleven, eleven

Spread your legs, pull me in,
Whisper to em nice and slow
Eleven, eleven, girl just tell me when you try to go!
You turn me, baby do you think
Lean me baby take control!
Uh, we lose control
Now Shawty take it home!
Girl, you got 'em good, good, goodies
Baby, can I get some of those?
Be as sexy as you wanna be
And I'm trying to take off all your clothes!
Baby, let's get it on, cause you turn me on
And I know wanna do some freakish!

Chorus:

Girl, be as freaky as you wanna
It's eleven, eleven
Get nasty after hours
I was born this day so you can ride
Ride it's eleven, eleven
Hurry up, tell em your wish

Itâ€™s eleven, eleven!
Let me be your freak!

Girl, you got â€™em good, good, goodies
Baby, can I get some of those?
Be as sexy as you wanna be
And Iâ€™m trying to take off all your clothes!
Baby, letâ€™s get it on, cause you turn me on
And I know wanna do some freakish!

Chorus:

Girl, be as freaky as you wanna
Itâ€™s eleven, eleven
Get nasty after hours
I was born this day so you can ride
I was born this day so you can ride
I was born this day so you can ride
I was born this day so you can ride
Itâ€™s eleven, eleven!
Itâ€™s eleven, eleven!
Itâ€™s eleven, eleven!
Ride, ride itâ€™s eleven, eleven!
