Yes, mama - yes, girl
Hear me calling you
So sweet, so sweet
My sugar's so sweet

My baby don't you go
Aint seen my little sugar come home
So sweet, so sweet
My sugar's so sweet

But my baby she'd long gone
But I've seen her - I must've been doing her wrong
So sweet, so sweet
My sugar's so sweet
See my baby, don't act so smart
I'll cut out your liver, and eat your heart
So sweet, so sweet
My sugar's so sweet

Yes, mama - yes, girl
Hear me calling you
So sweet, so sweet
My sugar's so sweet
