Time has told me  
You're a rare, rare find  
A troubled cure  
For a troubled mind

And time has told me  
Not to ask for more  
For someday our ocean  
Will find its shore

So I'll leave the ways that are making me be  
What I really don't want to be  
Leave the ways that are making me love  
What I really don't want to love

Time has told me  
You came with the dawn  
A soul with no footprint  
A rose with no thorn

Your tears they tell me  
There's really no way  
Of ending your troubles  
With things you can say

And time will tell you  
To stay by my side no, no  
To keep on trying  
Till there's no more to hide

So leave the ways that are making you be  
What you really don't want to be  
Leave the ways that are making you love  
What you really don't want to love

Time has told me  
You're a rare, rare find  
A troubled cure  
For a troubled mind

And time has told me  
Not to ask for more

For some day our ocean  
Will find its shore
