Tilt your head back and close your eyes

You so anti, don't I matter?  
(What?)  
You so, you so, you so anti, don't I matter?  
(You punk bitch)

You so, you so, you so anti, don't I matter?  
(You punk bitch)

Hey, what's this on your iPod?  
Tell me what you listening to  
Why you jumping 'bout his money?  
I ain't hear him mention you

I know this aggravates you  
And it upsets you  
But I can change you  
I know how you hear me, is this better?

Yeah, yeah you like this  
Yeah this your language  
Life is short in black and white  
Just like little penguins

Why you in Social Studies  
Screaming and arguing?  
Why you Dr. Killjoy  
Shooting up the party?

Where you get that money from?  
Wait, where you running to?

Why I hearing sirens?  
Where them blue lights coming to?

Dog you're a genius  
You can blueprint and plan this  
Instead of playing video games  
Why don't you take advantage?

You so anti, don't I matter?  
(What?)  
You so, you so, you so anti, don't I matter?  
(You punk bitch)  
You so anti, don't I matter?  
(What?)  
You so, you so, you so anti, don't I matter?  
(You punk bitch)

You so anti, don't I matter?  
(What?)  
You so, you so, you so anti, don't I matter?  
(You punk bitch)  
You so anti, don't I matter?  
(What?)  
You so, you so, you so anti, don't I matter?  
(You punk)

I don't understand you  
You the school's biggest cut up  
Riding in your mama car  
Booming like a motherfucker

Why you always spitting for?  
What you get her digits for?  
Don't you know with no money  
That girl is not gon' give you none?

Life doesn't dish out  
Why you got your fists out?  
Oh, you just gonna run in there  
And five finger discount

Talking 'bout where the weed at  
Wait, what you coughing for?  
I thought you was an expert  
Now listen to the officer

You so anti, don't I matter?

I know you're a light  
And there's a lamp to let inside  
It's not just burning bright  
It won't blow up in your face if you try

I know you try hard but you gotta try harder  
Now you got your light, hope you find your way  
You're a multitasker, you do things faster  
Are you going to let this guy give and give decay? Wait

You so anti, don't I matter?  
(What?)  
You so, you so, you so anti, don't I matter?  
(You punk bitch)

Motherfucker, are you ADHD, ADHD, ADHD?

(You so anti, don't I matter?)

You jump around like you ADHD, ADHD, ADHD  
(You so anti, don't I matter?)
