Sooner or later it all comes crashing down  
(Crashing down)  
Crashing down  
(Crashing down)  
When everyone's around

I bet you would've paid up all your cash down  
(Your cash down)  
And not to make a sound  
(To make a sound)  
Everyone knows now

(So you're sad)  
About the moment you lost your love  
(Damn)  
You couldn't see her leaving  
(You were gassed)  
And that's such [Incomprehensible]  
'Cause God yanked the rug  
And holding your heart will not help you breathe

Sooner or later it all comes crashing down  
(Crashing down)  
Crashing down  
(Crashing down)  
When everyone's around

I bet you would've paid up all your cash down  
(Your cash down)  
And not to make a sound  
(To make a sound)  
Everyone knows now

It all comes crashing down  
It's over, leave it  
It's over, leave it  
It's over, leave it  
It's over, leave it

(So you're sad)  
And you should own it and you fucked up  
(Damn)

You thought that you were the team  
(You were gassed)  
And now you're opponent who wears your gloves  
(Damn)  
A nightmare just ate up your dreams

Sooner or later it all comes crashing down  
(Crashing down)  
Crashing down  
(Crashing down)  
When everyone's around

I bet you would've paid up all your cash down  
(Your cash down)  
And not to make a sound  
(To make a sound)  
Everyone knows now

It all comes crashing down  
It's over, leave it  
It's over, leave it  
It's over, leave it  
It's over

(So you're sad)  
Could have had so much done you blew it off  
(Damn)  
Your chance is passing you by  
(You were gassed)  
Time waits for no one and it cost for a lost  
A cosmic joke should you laugh or cry

Sooner or later it all comes crashing down  
(Crashing down)  
Crashing down  
(Crashing down)  
When everyone's around

I bet you would've paid up all your cash down  
(Your cash down)  
And not to make a sound  
(To make a sound)  
Everyone knows now

It all comes crashing down  
It's over leave it  
It's over leave it  
It's over leave it  
It's over leave it

It's over leave it

It's over leave it  
It's over leave it
