Hey, I'm a little teapot short and stout
There's some shake-up'in around me know it's talk,
and no doubt
I pop the lid, the lid, it's gon' be me I gonna no doubt
Nothing'll happen if I don't open my mouth

I ain't a punk bitch, I don't give a fuck
I'm just bein' me and speakin' from the gut
Well it's a little bit of us, a whole lot of you
And we just came here to see what it do

I'm right here, and I ain't goin'nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain't goin'nowhere
You can knock doors and tear up, ya'have to air so

Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to

I'm a little teapot blowin'off steam
You put me on the heat, I don't whistle I scream
Bang, bang, fuck a bed fuck a dream
This is rage blowin' up your machine

I'm a star bitch, I don't give a fuck
Don't be surprised when this bitch start blowin' up
Well its a little bit of us, a whole lot of you
And we just came here to see what it do

I'm right here, and I ain't goin'nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain't goin'nowhere
You can knock doors and tear up, ya'have to air so

Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to

And now I'm wakin' up layin' in the ambulance bed

With somethin in my arm, I gotta get it off
A tattoo with a line that'll read your mind
And next is your mind, I gotta get it off

The shit they spray, attack my lungs everyday
With a creeping decay, I gotta get it off
By attacking these things, I earned my wings
And my halo but first I gotta, get it off

I'm right here, and I ain't goin'nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain't goin'nowhere
You can knock doors and tear up, ya'have to air so

Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to

I'm right here, and I ain't goin'nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain't goin'nowhere
You can knock doors and tear up, ya'have to air so

Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
