All this time,
All this time,
All this time,
And you on my mind.
All this time,
All this time,
All this time,
And you on my mind.

I feel like the wind just came,
And blew all the crumbs away.
I'm finally breaking it off with your memory.

You're still in my cupboards,
Get out of my cupboard, and off of my wall.

All this time,
All this time,
All this time,
And you on my mind.
All this time,
All this time,
All this time,
And you on my mind.

You're where i hang my keys,
When i walk in the door.
You're the jacket i borrowed,
The pride i wore.
But with you in my head,
You stay under my skin,
And interfere with my heart.

All this time,
All this time,
All this time,
And you on my mind.
All this time,
All this time,
All this time,
And you on my mind.

I feel like the wind just came,
And blew all the crumbs away.
I'm finally breaking it off with your memory.
