Don't touch
Don't look
Don't think
Best of luck

She tried as hard as she could
But he knew it wasn't good enough
And wouldn't ever be so she had to start
Hiding how she felt but she loved him
He knew it and if his hands weren't tied
He would really liked to help her

Don't touch
Best of luck

He's still shaking it off buys flowers for his wife
Guilty he couldn't even think of life without her
Gets home lookin' like he's seen a ghost
She's ready for the worst, but when he tells her
She breaks down crying, "I'm so sorry"

Don't touch
Don't look
Don't think
Best of luck

Don't touch
Don't look
Don't think
Best of luck

We didn't want our love to end in high school
In college I called everyday till the day I met you
A year ago we got in touch, I asked you to forgive me
It should've ended there but I forgot I wasn't eighteen

Don't touch
Best of luck

She'll try as hard as she can
But he'll know it isn't good enough
And won't ever be so she'll have to start

Hiding how she feels but she loves him
And he knows it still
His hands are tied even if he wants to help her

Don't touch
Don't look
Don't think
Best of luck

Don't touch
Don't look
Don't think
Best of luck
