You say you don't want it
Just watch and you'll flaunt it
You stare at the ceiling
And ignore what I'm feeling

Well that's fine, hey I don't mind
I can find nothing wrong with it
And you say in your polite way
Oh by the way can you get on with it?

Now that I've seen
Not really Diggin This!

Did I ask for your input?
How's the taste of your own foot?
To speak and not be right
You'd like to just rewrite
My life and take what you like
And decide with all of it
And to know that if it goes right
You'll never find out if I wanted it

Now that I've seen
Not really Diggin This!
Now that I know
Not really Diggin This!

Called him twice today
They said he went away
I never wondered why
They tried to hold him
Ain't never comin' back
Pull out the welcome mat
I never wondered why
They tried to hold him

The way that it's goin'
To laugh without knowin'
The way that I'm feelin'
Inside is unappealin'

Well that's fine, hey I don't mind
I can find nothing wrong with it
And you say in your polite way
Oh by the way can you get on with it?

Now that I've seen
Not really Diggin This!
Now that I know
Not really Diggin This!
Not really Diggin This!
