I am so high I can hear heaven..  
I am so high I can hear heaven..  
Oh but heaven, no heaven don't hear me

[Chorus]

And they say that a hero can save us,  
I'm not gonna stand here and wait,  
I'll hold on to the wings of the eagles,  
Watch as we all fly away

Someone told me that love would all save us  
But how can that be?  
Look what love gave us..  
A world full of killing and blood spilling  
That world never came

[Chorus]

And now that the world is at ending  
It's love that I'm sending to you  
It isn't the love of a hero and that's why I fear it won't  
do

[Chorus]

And they're watching us, they're watching us as we all  
fly away yeah  
And they're watching us, they're watching us as we all  
fly away yeah  
They're watching us, watching us, they're watching us  
as we all fly away yeah yeah oh oh
