Been a long time comin' and the cards were stacked  
It's been a long hard road to hell and back  
Your love meant trouble from the day we met  
You won every hand, I lost every bet

Now you'd think that I should've known better  
Now I think that I, I would've seen it come  
My heart sank when I read that letter  
Sank like a stone, it sank like a stone

A cup of cold coffee, yesterday's mail  
A bad love like this is always bound to fail  
Your love meant trouble from the day we met  
If you want your things, they're on the front step

An' now you'd think that I should've known better  
Now I think that I should've seen it come  
My heart sank when I read that letter  
It sank like a stone, it sank like a stone

All alone in my kitchen, all alone in my head  
Somethings you can't take back, once they've been  
said  
I don't know what this love is for  
All I know is I don't want it anymore

Now you'd think that I should've known better  
I should've seen it come  
My heart sank when I read that letter  
It sank like a stone, it sank like a stone
