From underneath the trees, we watch the sky
Confusing stars with satellites
I never dreamed that you'd be mine
But here we are, we're here tonight

Singing A-Amen, I, I'm alive (I'm alive)
Singing A-Amen, I, I'm alive

[Chorus:]

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

And I'm singing
A, Amen I, Amen I, I'm alive
Amen I, Amen I, Amen I, I'm alive

And in the air the fireflies
Our only light in paradise
Would show the world they were wrong
And teach them all to sing along

Singing A-Amen, I, I'm alive (I'm alive)
Singing A-Amen, I, I'm alive

[Chorus x2]

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody die ahha ahha
ahhh ahd...

When nobody die ahha ahha ahhh ahd...

And as we lie beneath the stars

We realize how small we are
If they could love like you and me
Imagine what the world could be

[Chorus x2]

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody die ahha ahha
ahhh ahd...

We'd see the day, we'd see the day
When nobody die ahha ahha ahhhh ahd...
We'd see the day, we'd see the day,
When nobody die ahha ahha ahhhh ahd...
We'd see the day (died) when nobody died
