Cherry Stem in her mouth she could tie in a knot  
Favorite trick she does, One in ten that she's got  
Making friends, setting trends, hardly having to try  
All the looks, by the book, best that money can buy  
Look what your money bought  
It's all that she's got  
It keeps her company  
Straight from Mom and Daddy  
Last chance to dance, our in back of the bar  
Shakin' hands, nice to meet you, I don't know who you  
are  
She has a toke and makes a joke about the alley man  
Never pleased from the treasure in a garbage can  
Look what your money bought  
It's all that she's got  
It keeps her company  
Straight from Mom and Daddy  
Cherry Stem in her mouth she could tie in a knot  
Favorite trick she does, One in ten that she's got  
Making friends, setting trends, hardly having to try  
All the looks, by the book, best that money can buy
