The last straw just broke  
I'm a line in your tasteless joke  
What's up with that heart you've stolen?  
Don't worry cause  
It's not broken  
It's just swollen

Could anticipate  
How you're feeling from day to day  
Well about you, now that you're needing  
Don't worry cause  
They're laughing and you're bleeding

Well I'm drowning  
In your ocean  
It's much cooler  
In slow motion

Don't care where you've went  
And not really how much you've spent  
Well it's obvious that you bore me  
I'm not worried cause  
It's 5 minutes  
Till your glory

Well I'm drowning  
In your ocean  
It's much cooler  
In slow motion

Leave it up to me and I will  
Be the one here to see that you stand still  
Everyone sees your eyes getting wider  
Everyone believes you're a liar

You're a liar

The last straw just broke  
I'm a line in your tasteless joke  
Right after you punched a hole in  
Don't worry cause

It's not broken  
It's just swollen

Anticipate  
How you're feeling from day to day  
Since it's obvious that you bore me  
I'm not worried cause  
It's 5 minutes till your glory

Leave it up to me and I will  
Be the one here to see that you stand still  
Everyone sees your eyes getting wider  
Everyone believes your a liar

Your a liar
