[John Mayer]

*I don't why tori came by but I could see by the look in
her eyes*

Tori been driven 'round the town for a while

Playing with the thought of leaving

I don't know why but tori just smiled

Mentioned something about how you were right

*must have been hard to see through the tears she was
hiding*

She said I might not be seeing him soon

I've got a few things I've been waiting to do.

Hey

Tori came by

Tori came by tonight

Hey

Tori came by

She says to say goodbye

Looked outside at the car in the drive

And the suitcase on the backseat inside

Sure it's so she can look at behind at the road

She said I might not be seeing him soon

I've got a few things I've been waiting to do.

Hey

Tori came by

Tori came by tonight

Hey

Tori came by

She says to say goodbye

Dawn looked out

She seemed alright

He might be asking where's his tori tonight

*Somewhere out on the highway I'm sure but she's

fine*
