Baby, can't you see  
I'm calling  
A guy like you  
Should wear a warning  
It's dangerous  
I'm fallin'

There's no escape  
I can't wait  
I need a hit  
C'mon, give me it  
You're dangerous  
I'm lovin' it

Too high  
I can't come down  
It's in my head  
Spinning 'round and 'round  
Do you feel me now?

With a taste of your lips  
I'm on a ride  
You're toxic  
I'm slipping under  
The taste of your poison paradise  
I'm addicted to you  
Don't you know that you're toxic?  
And I love what you do  
But you know that you're toxic

It's getting late  
To give you up  
I took a sip  
From the devil's cup  
And slowly  
It's taking over me

Too high  
I can't come down  
It's in the air  
And it's all around

Well, can't you feel me now?

With a taste of your lips  
I'm on a ride  
You're toxic  
I'm slipping under  
The taste of your poison paradise  
I'm addicted to you  
Don't you know that you're toxic?  
And I love what you do  
But you know that you're toxic  
But you know that you're toxic

Taste of your lips  
I'm on a ride  
You're toxic  
I'm slipping under  
The taste of your poison paradise  
I'm addicted to you  
But you know that you're toxic

Intoxicate me now  
With your lovin' now  
I think I'm ready now  
I think I'm ready now  
Intoxicate me now  
With your lovin' now  
I'm ready now
