Feeling fine. Let's rip out yours instead of mine. Well, thanks for stopping this beating in my chest. And all you need Are several ways to watch me bleed. It's easier now, and I'm happy like this. Even though I ain't coming back now, Just like this. I was so ungrateful for for all you've done here. I didn't mean to seem as though You fuck your friends for all your needs. For yanking out my... Honestly. No, the universe ain't yours. And stay the course. Well, thanks for stopping this beating in my chest. It's easier now, and I'm happy like this. Even though I ain't coming back now, Just like this. I didn't mean to seem as though I was so ungrateful for for all you've done here. Even though I ain't coming back now, I didn't mean to seem as though I was so ungrateful for for all you've done here. For yanking out my... If I could have one good reason. If I could only see this. All my feelings out of season. Yanking out my... Yanking out my... Am I to thank for yanking out my... Feeling fine. Let's rip out yours instead of mine. Are several ways to watch me bleed. And all you need It's easier now, and I'm happy like this. Well, thanks for stopping this beating in my chest. Just like this. I didn't mean to seem as though Even though I ain't coming back now, Even though I ain't coming back now, I didn't mean to seem as though I was so ungrateful for for all you've done here. I was so ungrateful for for all you've done here. For yanking out my... For yanking out my...
