Yea, Fuck your mom BITCHES Oh.. That's why.  
Da da duh da da dada they ain't fuckin with me.

I got the notion that uh..  
They mouths is open and uh..  
All thats just talkin when uh..  
They ain't comparin' me!

This for the ones who comparin' me.  
'Cause apparently you got emotions and deal with 'em  
terribly.  
Ironic everytime you hearin' me..  
You want me to get ghost yet you already scared of  
me.

I ain't trippin' though, hate's expected.  
Before the hate there was more important shit hectic.  
Style neglected, called TOO eccentric.  
They invited me to fail, and I refused to accept it.

Then the flow got crazy as ever, word play crazy clever.  
Like never say never when never was ever supposed to  
be said, digest.  
Why you should never say never UNLESS, it's "never  
the less" I'm like--

Please try to stay up with it.  
Been at this for 7 and a quarter like pay rates and caps  
fitted.  
I rapped with it 'til my pockets get fat kidded.  
Then play dodge ball or have a heart attack with it.

I got the notion that uh..  
They mouths is open and uh..  
All thats just talkin when uh..  
They ain't comparin' me!

THEY AIN'T COMPARIN' ME!  
THEY AIN'T COMPARIN' ME!  
THEY AIN'T COMPARIN' ME!

Take a closer look and you'd see..  
THEY AIN'T COMPARIN' ME!

By the time the second verse come round.  
Lots of motherfuckers 'prolly went and turned me  
down.  
But real recognize real so turn me up.  
And if you turn me down, I don't give a fuck!

This, too rich to poor-ticipate.  
And thats word play, case you caught that late.  
I, hurt the rest, work towards the best.  
My heart beat for Chicago because its literally Midwest..

Where I'm from man, the pistol pop  
You better shoot, get shot, run or end up locked.  
It's so unorthodox but fuck the cops.  
Jail just made me careful, it ain't make me stop.

I'm still paid and it's often spoke.  
The kid that worked his life fixed is half as broke.  
I'm 'bout to run all this, can't tell me shit.  
8 gallons of flow and I ain't spilled a drip.

I got the notion that uh..  
They mouths is open n uh..  
All thats just talkin when uh..  
The ain't comparin' me.

THEY AIN'T COMPARIN' ME!  
THEY AIN'T COMPARIN' ME!  
THEY AIN'T COMPARIN' ME!

Take a closer look and you'd see..  
THEY AIN'T COMPARIN' ME!

I ain't mean to hurt feelings, feelings.  
Honestly "look" I'm just being real man.  
All these rappers workin' half as hard.  
Thats why I turn you off half way through your bars.

They got a few buys that don't make them better.  
Platinum artist barely put rhymes together.  
Heard ya whole mixtape "look put down the pen".  
It was 50 minutes long sounds like you wrote it in 10.

But me? See a booth, see a beat, and the song done.  
Marathon rappin, tryin' to be in it for the long run.  
Reason they on dumb, but reason I'm on, SON!  
Make my dad proud like YOU would if you lost'em.

The lyrics was TOO deep, too much to touch.  
So I dumbbed it down so much now it ride the short bus.  
But still ain't nothin like me feel free to explore.  
Only thing this new still shits its drawers.

I got the notion that uh..  
They mouths is open n uh..  
All thats just talkin when uh..  
The ain't comparin' me.

THEY AIN'T COMPARIN' ME!  
THEY AIN'T COMPARIN' ME!  
THEY AIN'T COMPARIN' ME!

Take a closer look and you'd see.  
THEY AIN'T COMPARIN' ME!

Got em'.. Swag City!
