Pile of ashes on the table
empty bottles here there now and again
window's broke wind's in the corridor
but that's not all the shit's just hit the fan

Staring me down
i can't see around
shadows hidin in shadows hidin in shadows hidin in
shadows
Whisperin down my neck
but i can't ground
don't try to go fuckin near me cause
the waves of paranoia will
one day bring you down

(Solo Puder)

Drip drip drip and i can't think
stop the damn drippin of the fuckin sink
whatcha doin johnny see your back again
i've known you for a minute but you say you're friend

waitin for the moment till I slip and sink
but im a step ahead i know that i don't think
you're gonna catch me for a second with dropped
guard
click click click and you're dead on the floor

Staring me down
i can't see around
shadows hidin in shadows hidin in shadows hidin in
shadows
Whisperin down my neck
but i can't ground
don't try to go fuckin near me cause
the waves of paranoia will
one day bring you down

Bring you down
Bring you down
Bring you down
