My bad behavior, my bad behaviour  
Told you I was trouble with my bad behaviour  
My bad behavior, my bad behaviour  
Told you I was trouble with my

Don't tell me if I'm bad  
Oooeooo, 'cause I don't want no excuses, oooeooo  
So don't be serious, oooeooo  
He could have been persuaded, oooeooo oh oh oh  
ooeoo

I want the key to your heart, to your heart  
And you would know-ow-own from the start, from the  
start  
And if a smile comes it won't be the last, be the last  
I got a little problem that I can't seem to solve

My bad behaviour, my bad behaviour  
Told you I was trouble with my bad behaviour  
My bad behaviour, my bad behaviour  
Told you I was trouble with my bad behaviour  
Oooeooo bad behaviour  
Oooeooo bad behaviour  
Oooeooo bad behaviour  
Oooeooo bad behaviour

So how's it a surprise? Oooeooo  
When you knew who you were dating, oooeooo  
Just have to have some fun, oooeooo  
So we shouldn't be complaining, oooeooo oh oh oh,  
ooeooo

I want the key to your heart, to your heart
