...

You are my dream
Theres nothing I would do
I get my life all for you
Cause you are my dream

And Baby everything that I have is yours
You will never go cold or hungry

I'll be there when you're insecure
Let you know that you're always lovely girl
Cause you are the only thing that I got right now

One day with...falling
I'll be standing right next you (right next you)
Nothing with ever come beteewn us
Cause I'll be standing right next you..
