Girl I see it in your eyes you're disappointed  
'Cause I'm the foolish one that you anointed with your heart  
I tore it apart  
And girl what a mess I made upon your innocence  
And no woman in the world deserves this  
But here I am asking you for one more chance

Can we fall, one more time?  
Stop the tape and rewind  
Oh and if you walk away I know I'll fade  
'Cause there is nobody else

It's gotta be you  
Only you  
It's gotta be you  
Only you

Now girl I hear it in your voice and how it trembles  
When you speak to me I don't resemble, who I was  
You've almost had enough  
And your actions speak louder than words  
And you're about to break from all you've heard  
Don't be scared, I ain't going no where

I'll be here, by your side  
No more fears, no more crying  
But if you walk away  
I know I'll fade  
Cause there is nobody else

It's gotta be you  
Only you  
It's gotta be you  
Only you

Oh girl, can we try one more, one more time?  
One more, one more, can we try?  
One more, one more time  
I'll make it better  
One more, one more, can we try?  
One more, one more,  
Can we try one more time to make it all better?

Cos its gotta be you  
Its gotta be you

Only you  
Only you

It's gotta be you  
Only you  
It's gotta be you  
Only you
