Baby I, I wanna know what you think when your alone
Is it me yeah? Are you thinking of me yeah? Oh
We've been friends now for a while
Wanna know that when you smile
Is it me yeah? Are you thinking of me yeah? Oh oh

Girl what would you do?
Would you wanna stay if I would say?

I wanna be last yeah
Baby let me be your, let me be your last first kiss
I wanna be first yeah
Wanna be the first to take it all the way like this
And if you only knew I wanna be last yeah
Baby let me be your last, your last first kiss

Baby tell me what change
I'm afraid you'll run away if I tell you
What I wanted to tell you
Maybe I just gotta wait
Maybe this is a mistake
I'm a fool yeah, baby I'm just a fool yeah
Girl what would you do?
Would you wanna stay if I would say?

Wanna be last yeah
Baby let me be your, let me be your last first kiss
I wanna be first yeah
Wanna be the first to take it all the way like this
And if you only knew I wanna be last yeah
Baby let me be your last, your last first kiss

Your last first kiss (x2)

Girl what would you do?
Would you wanna stay if I would say?
Your last first kiss
I wanna be last yeah
Baby let me be your, let me be your last first kiss
I wanna be first yeah
Wanna be the first to take it all the way like this

And if you only knew I wanna be last yeah
Baby let me be your last, your last first kiss

I wanna be last yeah baby let me be your last

Your last first kiss
