(Harry)

Bbbbaby c'mon over
I don't care if people find out
They say that we're no good together
And this never gonna work out.

(Liam)

But baby you got me moving too fast
Cause I know you wanna be back
And girl when you're lookin' like that
I can't hold back.

(Chorus)

Cause you, you've got this spell on me
I don't know what to believe
Kiss you once know I can't leave
Cause everything you do is magic
But everything you do is magic.

(Zayn)

So I-I-let them take pictures
Spread it all around the world now
I wanna put it on my record
I want everyone to know now.

(Liam)

But baby you got me moving too fast
Cause I know you wanna be back
And girl when you're lookin' like that
I can't hold back.

(Chorus)

Cause you, you've got this spell on me
I don't know what to believe
Kiss you once know I can't leave
Cause everything you do is magic
But everything you do is magic.

Oh oh oh oh oh

Oh oh oh oh oh

Oh oh oh oh oh

Everything you do is magic.

(Liam)

They say that we're no good together

And this never gonna work out
I wanna put it on my record
I want everyone to know now.

(Louis)

Everything you do is magic
Everything you do is magic
Everything you do is magic
Everything you do is magic.

(Chorus)

Cause you, you've got this spell on me
I don't know what to believe
Kiss you once know I can't leave
Cause everything you do is magic
But everything you do is magic.

Oh oh oh oh oh

Oh oh oh oh oh

C'mon

Kiss you once know I can't leave
Cause everything you do is magic
But everything you do is magic.
