

# One Direction "More Than This"

Visit "[More Than This](#)" on MotoLyrics.com

[Liam]

I'm broken, do you hear  
me?  
I'm blinded, 'cause you are everything I see,  
I'm dancin' alone, I'm praying,  
That your heart will just turn around,

And as I walk up to your door,  
My head turns to face the floor,  
'Cause I can't look you in the eyes and say,

[Harry]

When he opens his arms and holds you close tonight,  
It just won't feel right,  
'Cause I can love you more than this, yeah,  
When he lays you down,  
I might just die inside,  
It just don't feel right,  
'Cause I can love you more than this,  
Can love you more than this

[Niall]

If I'm louder, would you see me?  
Would you lay down  
In my arms and rescue me?  
'Cause we are the same  
You save me,  
When you leave it's gone again,

[Louis]

And when I see you on the street,  
In his arms, I get weak,  
My body fails, I'm on my knees,  
Prayin',

[Everyone]

When he opens his arms and holds you close tonight,  
It just won't feel right,  
'Cause I can love you more than this, yeah,  
When he lays you down,  
I might just die inside,  
It just don't feel right,

â€˜Cause I can love you more than this, yeah,

[Zayn]

Iâ€™ve never had the words to say,  
But now Iâ€™m askinâ€™ you to stay  
For a little while inside my arms,  
And as you close your eyes tonight,  
I pray that you will see the light,  
Thatâ€™s shining from the stars above,

(And I say)

[Liam]

When he opens his arms and holds you close tonight,  
It just wonâ€™t feel right,  
â€˜Cause I can love you more than this,

[Zayn]

â€˜Cause I can love you more than this, yeah

[Everyone]

When he lays you down,  
I might just die inside,  
It just donâ€™t feel right,  
â€˜Cause I can love you more than this, yeah,

When he opens his arms and holds you close tonight,  
It just wonâ€™t feel right,  
â€˜Cause I can love you more than this, yeah

When he lays you down,  
I might just die inside,  
It just donâ€™t feel right,  
â€˜Cause I can love you more than this,  
Can love you more than this
