I'm at a Nando's, trying to Paul home
All of my change I spent on Lou
Where have his socks gone?
Niall it's all wrong
You ate the food we made for 2
Yeah, I know it's hard to remember that they tried out
separately
It's even harder to picture, they placed at number 3
Harry loves to get naked, but the boys never mind
As soon as they got famous, all the fan girls broke
down
Twitcams make me smile
Someone should tell Niall to hide his profile
I'd let Larry Stylinson prank call my friends
Six r:s in Terrance
Zayn's no pedophile
I'm at a Nando's, trying to Paul home
All of my change I spent on Lou
Where have his socks gone?
Niall it's all wrong
You ate the food we made for 2
Everytime I read a new fanfic
Louis munching on some carrot sticks
Why is Harry's hair always perfect?
Liam's only got 1 kidney left
Yeah, we better thank Simon Cowell for making the
boys stay
Louis drove the van so slow
They got stopped twice that day
Zayn has such beautiful eyes
And perfectly coiffed hair
There are women in Sweden
Who wouldn't put their shirts down
Video diaries
Superman Louis
Liam love Danielle Pea-zer and
Zayn loves Perrie
Niall and his guitar
Louis and Eleanor
The kazoo and Harry
I'm at a Nando's, trying to Paul home

All of my change I spent on Lou
Where have his socks gone?
Niall it's all wrong
You ate the food we made for 2
Zayn should probably work on his dance moves
Niall is a big fan of the zoo
Harry used to share a flat with Lou
Liam won't go near another spoon
Now I'm at a Nando's
