(NIALL)

You're so pretty when you cry when you cry  
Wasn't ready to hear you, say goodbye  
Now you're tearing me apart, tearing me apart  
You're tearing me apart

(ZAYN)

You're so London, your own style, your own style  
We're together its so good, so girl why  
are you tearing me apart, tearing me apart  
You're tearing me apart

(HARRY)

Did I do something stupid, yeah girl if I blew it  
Just tell me what I did, lets work through it  
T heres gotta be some way, to get you to want me  
Like before

(ALL)

Cause no one ever looked so good  
In a dress and it hurts, cause  
I know you wont be mine tonight  
No one ever makes me feel like you do when you smile,  
Baby tell me how to make it right

Now all of my friends say it's not really worth it, but even if thats true, No one in  
the world could stop me from not moving on  
Baby even if I wanted to, nobody compares to you.

(LOUIS)

We're so Paris when we kissed, when we kissed I remember the taste of your  
lipstick  
Now your tearing up my heart, tearing up my heart  
You're tearing up my heart

(HARRY)

Did I do something stupid, Yeah girl if I blew it  
Just tell me what I did, lets work through it  
Theres gotta be some way to get you to want me  
Like before

No one ever makes me feel, like you do, when you smile, baby tell me how to make it right
