Nobody knows  
Nobody knows but me  
That I sometimes cry  
If I could pretend that I'm asleep  
When my tears start to fall  
I peek out from behind these walls  
I think nobody knows  
Nobody knows

Nobody likes (nobody likes)  
Nobody likes to lose their inner voice (their inner voice)  
The one I used to hear before my life  
Made a choice  
I think nobody knows  
(knows)  
Nobody knows

Baby  
Oh your secret's safe with me  
There's nowhere else in the world that I could ever be  
And baby don't it feel like I'm all alone  
Who's gonna be there after the last angel has flown  
And I've lost my way back home  
I said nobody knows  
Tomorrow I'll be there my friend  
I'll wake up and start all over again

Baby  
Oh your secret's safe with me  
There's nowhere else in the world that I could ever be  
And baby don't it feel like I'm all alone  
Who's gonna be there after the last angel has flown  
And I've lost my way back home  
I said nobody knows  
I said nobody knows  
Nobody knows but me  
me yeah
