I want you to love me, like I'm a hot ride
Keep thinkin' of me, doin' what you like
So girl forget about the world cause it's gon' be me and
you tonight
I wanna make you beg for it, then Imma make you
swallow your pride

Want to make you feel like you're the only girl in the
world
Like you're the only one that I'll ever love
Like I'm the only one who knows your heart
Only girl in the world...
Like I'm the only one that's in command
Cause you're the only one who understands how to
make me feel like a man
Want to make you feel like you're the only girl in the
world
Like you're the only one that I'll ever love
Like I'm the only one who knows your heart
Only one...
Want to make you feel like you're the only girl in the
world
Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only girl in the world...
Like I'm the only one that's in command
Cause you're the only one who understands how to
make me feel like a man
Want you to make me feel like I'm the only girl in the
world
Like you're the only one that I'll ever love
Like I'm the only one who knows your heart
Only one...
