"Perfect Day"

Visit "[Perfect Day](#)" on MotoLyrics.com

It's one of these days when the sun is shining
And the sky it is so blue
And the birds are whistling
The happiest of tunes

The sky is blue and the grass is green
It's the best damn day I've ever seen (woah)
This is the most perfect day I've seen
Sky is blue (sky is blue)
Grass is green (grass is green)
This is the most perfect day
That I've ever seen

Mr. Whippy van is in the distance
Kids in the street are running for ice cream
Sounds of the laughter bring back memories
Of a time I left behind
Today I feel like the action movie hero's
Come to save the day
I'm so glad I got out of bed on a day like today
(On a day like today)

Sky is blue and the grass is green
It's the best damn day I've ever seen (woah)
This is the most perfect day I've seen
Sky is blue (sky is blue)
Grass is green (grass is green)
This is the most perfect day
That I've ever seen

On a day like today

Sky is blue and the grass is green
It's the best damn day I've ever seen (woah)
This is the most perfect day I've seen
Sky is blue (sky is blue)
Grass is green (grass is green)
This is the most perfect day
That I've ever seen

I guess it was just one of those days
