Riding my bike on the way home from school
Homework will just have to wait
I'm on a conquest that only I can fulfill
Comic books will just have to wait
Good times and good friends
Spare change spent weekends
Down at the pinball arcade
Yeah
I check my pocket for some more spare change
So I can play this game again
I'm on a conquest that only I can fulfill
Three missiles to the highest score
Good times and good friends
Spare change, spent weekends
Down at the pinball arcade
Good times and good friends
Spare change, spent weekends
Hanging at the pinball arcade
Yeah
Good times and good friends
Spare change, spent weekends
Down at the pinball arcade
Good times and good friends
Spare change, spent weekends
Down at the pinball arcade
Yeah yeah yeah
