Liam:

Hello, hello, I know it's been a while but baby
I got something that I really wanna let you know, yeah
Something that I wanna let you know

Louis:

You say, you say that everybody that you hate me
Couldn't blame you cuz' I know I left you all alone,
yeah
I know that I left you all alone

Harry:

And yeah, now I'm back at your door
You lookin' at me I'm sure
I should've seen it before
You're all I think about, baby

All:

I was so stupid for letting you go
But I-I-I know you're still the one
You might have moved on
But girl you should know
That I-I-I know you're still the one
I know it's sayin' too much
But I will never give up
I was so stupid for letting you go
But I-I-I know you're still the one

Harry:

I-I-I know you're still the one

Niall:

Hello, hello, I'm really hoping you'll forgive me
I keep talking, begging, tell me what I wanna hear,
yeah
Girl just tell what I wanna hear

Harry:

I tried, I tried to start again and find somebody
But I remember all the times and all the words we said,
yeah
I can't get it out of my head

Zayn:

And yeah, now I'm back at your door

You lookin' at me I'm sure
I should've seen it before
You're all I think about, baby

All:

I was so stupid for letting you go
But I-I-I know you're still the one
You might have moved on
But girl you should know
That I-I-I know you're still the one
I know it's sayin' too much
But I will never give up
I was so stupid for letting you go
But I-I-I know you're still the one

All:

Hey you, you're still the one (x4)

All:

I know it's sayin' too much
But I will never give up
I was so stupid for letting you go
But I-I-I know you're still the one

Harry:

I-I-I know you're still the one
