Zayn:

Can't believe your packin your bags
Tryin so hard not to cry.
Had the best time and now its the worst time,
But we have to say goodbye.

Harry:

Don't promise that you're gonna write
Though promise that you'll call.
Just promise that you won't forget we had it all.

Niall:

Cause you were mine for the Summer,
Now we know its nearly over.
Feels like snow in September,
But I always will remember.
You were my Summer love,
You always will be my Summer love!

Louis:

Wish that we could be alone now,
If we could find some place to hide.
Make the last time just like the first time,
Push a button and rewind.

Liam:

Don't say the word that's on your lips,
Don't look at me that way.
Just promise you'll remember,
When the sky is grey.

Niall:

Cause you were mine... for the Summer
Now we know its nearly over.
Feels like snow in September,
But I always will remember
You were my... Summer love.
You always will be my... Summer love.

Zayn:

So please don't make this any harder,
We can't take this any farther
And I know there's nothin that I wanna change, change...

All:

Cause you were mine... for the Summer,
Now we know its nearly over.
Feels like snow in September,
But I always will remember.
You were my... Summer love,
You always will be my... Summer love!
