Can't ever get it right  
No matter how hard I try  
And I've tried  
Well, I put up a good fight  
But your words cut like knives  
And I'm tired

As you break my heart again this time

[Chorus:]

Tell me I'm a screwed up mess  
That I never listen, listen  
Tell me you don't want my kiss  
That you need your distance, distance  
Tell me anything but don't you say he's what you're missing baby  
If he's the reason that you're leaving me tonight  
Spare me what you're thinking, tell me a lie

Well you're the charming type  
That little twinkle in your eye  
Gets me every time.  
And well there must've been a time  
I was a reason for that smile  
So keep in mind

As you take what's left of you and I

[Chorus:]

Tell me I'm a screwed up mess  
That I never listen, listen  
Tell me you don't want my kiss  
That you need your distance, distance  
Tell me anything but don't you say he's what you're missing baby  
If he's the reason that you're leaving me tonight  
Spare me what you're thinking, tell me a lie

Tell me a lie!  
Tell me a lie!  
Tell me a lie!

[Chorus:]

Tell me I'm a screwed up mess  
That I never listen, listen  
Tell me you don't want my kiss  
That you need your distance, distance

Tell me anything but don't you say he's what you're missing baby  
If he's the reason that you're leaving me tonight  
Spare me what you're thinking, tell me a lie

Tell me a lie!  
Tell me a lie!  
Tell me a lie!  
Tell me a lie!
