People say we shouldn't be together.
We're too young to know about forever.
But I say they don't know what they talk talk talkin' about.

Cause this love is only getting stronger.
So I don't wanna wait any longer.
I just wanna tell the world that your mine, girl.
Ohh...

They don't know about the things we do.
They don't know about the "I love you's".
But I bet you if they only knew,
They will just be jealous of us.
They don't know about the up all night's.
They don't know I've waited all my life,
Just to find a love that feels this right.

Baby, they don't know about,
They don't know about us.

Just one touch and I was a believer.
Every day it gets a little sweeter.
It's getting better.
It's getting better all the time, girl.

They don't know about the things we do.
They don't know about the "I love you's".
But I bet you if they only knew,
They will just be jealous of us.
They don't know about the up all night's.
They don't know I've waited all my life,
Just to find a love that feels this right.

Baby, they don't know about,
They don't know about us.

They don't know how special you are.
They don't know what you've done to my heart.
They can say anything they want.

Cause, they don't know about us.
They don't know what we do best.
That's between me and you, our little secret.

But I wanna tell 'em.
I wanna tell the world that your mine, girl.

They don't know about the things we do.
They don't know about the "I love you's".
But I bet you if they only knew,
They will just be jealous of us.
They don't know about the up all night's.
They don't know I've waited all my life,
Just to find a love that feels this right.

Baby they don't know about,
They don't know about us.

They don't know about the things we do.
They don't know about the "I love you's".
But I bet you if they only knew,
They will just be jealous of us.
They don't know about the up all night's.
They don't know I've waited all my life,
Just to find a love that feels this right.

Baby they don't know about,
They don't know about us.

They don't know about us.
They don't know about us.
