One Direction Total Eclipse of The Heart Lyrics
Every now and then I get a little bit tired of
Listening to the sound of my tears

Niall:
(Turn around)

Liam:
Every now and then I get a little bit nervous that
The best of all the years have gone by

Niall:
(Turn around)
Every now and then I get a little bit terrified
And then I see the look in your eyes

Nial y Louis:
(Turn around, bright eyes)

Liam:
Every now and then I fall apart

Niall y Louis:
(Turn around, bright eyes)

Liam:
Every now and then I fall apart

Todos:
And I need you now tonight and I need you more than
ever

And if you only hold me tight We'll be holding on
forever
And we'll only be making it right 'cause we'll never
Be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time

(Niall: all of the time)

Todos:

I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight, forever's gonna start tonight
Forever's gonna start tonight

Louis y Liam:

Once upon a time I was falling in love, but now I'm only
Falling apart

Zayn:

There's nothing I can do... a total eclipse of the heart
