[Liam:]

Am I sleep am I awake or somewhere in between
I can't believe that you are here and lying next to
me

Or did I dream that we were perfectly entwined
Like branches on a tree, or twigs caught on a vine

[Niall:]

Like all those days and weeks and months I tried to
steal a kiss

And all those sleepless nights and daydreams where I
pictured this

I'm just the underdog who finally got the girl
And I am not ashamed to tell it to the world!

[Harry & Louis-Larry]

Truly, madly, deeply I am
Foolishly, completely falling
And somehow you kicked all my walls in
So baby say you'll always keep me
Truly, madly, crazy, deeply in love with you
In love with you

[Liam:]

Should I put coffee and granola on a tray in bed
And wake you up with all the words that I still
haven't said

And tender touches just to show you how I feel
Or should I act so cool, like it was no big deal

[Zayn:]

Wish I could freeze this moment in a frame and stay
like this

I'll put this day back on replay and keep reliving it
Cause here's the tragic truth, if you don't
feel the same

My heart would fall apart if someone said your name

[Harry & Louis]

Truly, madly, deeply I am
Foolishly, completely falling
And somehow you kicked all my walls in

So baby say youâ€™ll always keep me
Truly, madly, crazy, deeply in love with you

[Louis:]

I hope Iâ€™m not a casualty
I hope you wonâ€™t get up and leave
Might not mean that much to you
But to me itâ€™s everything
Everything

[All:]

Truly, madly, deeply I am
Foolishly, completely falling
And somehow you kicked all my walls in
So baby say youâ€™ll always keep me
Truly, madly, crazy, deeply in love (in love)
With you (with you)
In love (in love)
With you (with you)
In love (in love)
With you (with you)
