I'm insecure,
I know what for,
Tweeting 1D is like talking to a wall-a-all

I need a bag,
To hide my shame,
The amount I tweet you is insane-a-ane!

Everyone of my followers see it,
Everyone else but you.

You guys light up my world like nobody else,
The way that you flick your hair gets me overwhelmed,
But when you don't see my tweets it ain't hard to tell,
You don't know oh-oh!
You don't know that I love you

If only you saw how hard I try,
You'd understand what it means and then just reply
Right now I'm praying so hard, holding back a sigh,
You don't know-oh-oh!
You don't know that I love you!-oh-oh
All directioners do too!

So c-c'mon!
This is so wrong,
To prove I'm right I put it into a 1D song

And I know why,
I'm being shy,
I'm just so sick of waiting for a reply-y-y's

Everyone of my followers see it,
Everyone else but you.

You guys light up my world like nobody else,
The way that you flick your hair gets me overwhelmed,
But when you dont see my tweets it ain't hard to tell,
You don't know oh-oh!
You don't know that I love you!

If only you saw how hard I try,

You'd understand what it means and then just reply
Right now I'm praying so hard, holding back a sigh,
You don't know-oh-oh!
You don't know that I love you!-oh-oh
All directioners do too!

Na na na na na na na na na na
Na na na na na na x2

Everyone of my followers see it,
Everyone else but you.

You guys light up my world like nobody else,
The way that you flick your hair gets me overwhelmed,
But when you don't see my tweets it ain't hard to tell
You don't know oh-oh
You don't know that I love you!

You guys light up my world like nobody else,
The way that you flick your hair gets me overwhelmed,
But when you don't see my tweets it ain't hard to tell,
You don't know oh-oh!
You don't know that I love you!

If only you saw how hard I try,
You'd understand what I mean and just reply!
Right now I'm praying so hard, holding back a sigh,
You don't know-oh-oh!
You don't know that I love you!-oh-oh
And all directioners do too!

(And THATS what makes you beautiful!) Xx
