Today is gonna be the day that they're gonna throw it
back to you
By now you shoulda, somehow, realized what you gotta
do
I don't believe that anybody feels the way I do about
you now

Back beat, the word is on the street that the fire in your
heart is out
I'm sure you've heard it all before but you never really
had a doubt
I don't believe that anybody feels the way I do about
you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
But I don't know how

Because maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

Today was gonna be the day but they'll never throw it
back to you
By now you shoulda somehow realized what you're not
to do
I don't believe that anybody feels the way I do about
you now
I said maybe
You're gonna be the one that saves me
And after all
You're my wonderwall
