Dubois died today
His family was pleased
'Cause he'd always complained
He couldn't get sleep
So what was it for
Please
What was it for

Well don't you mind me not
Saying
What I do think of
You bury him smiling
Telling us all what a loss
And at what a cost

His friends all came to pay
Their homage to greed
They'd sit here all day
Like vultures they'd feed
So what was it for
Please
What was it for

Well you don't mind me not
Saying
What I do think of
You bury him smiling
Telling us what a loss
And at what a cost

Dubois died today
Left us in peace
They found him they say
At the bottom of the sea
So what was it for

Please what was it for
