She Kicks Ass by Puggy
She means the world to me
As far as I believe
She's made of extasy
Magor she kicks ass

When we stop
Didn't stop the pain
We beat
The shit out of the day
Everything we did
If I would rise
Everyone we knew knew why
Nothing f'what we did
Would make any sense
Oh yeah

She means the world to me
As far as I believe
She's made of extasy
Magor she kicks ass
We've been the world around
We brought on every town
Drunk out the undergrounds
Magor she kicks ass

When we stop
Didn't stop the rain
We beat
Risen god in vain
Stuck around 'till dawn
To fright
Left the way around
The night
Everything we did
We did the same

She means the world to me
As far as I believe
She's made of extasy
Magor she kicks ass
We've been the world around

We brought on every town
Drunk out the undergrounds
Magor she kicks ass

She means the world to me
As far as I believe
She's made of extasy
We've been the world around
We brought on every town
Drunk out the undergrounds

She means the world to me
As far as I believe
She's made of extasy
Magor she kicks ass
We've been the world around
We brought on every town
Drunk out the undergrounds
Magor she kicks ass

She kicks ass
