Everybody wants to know
How you feel
So maybe you could sing
Singing's not a sin

Everybody wants to know
What you're doing here
Maybe you could dance
Come on shake your pants

Ooh ooh ooh ooh ooh ohh
Everybody wants to know
Where you coming from
Did you fly here in a ship
Ride a black hole for a click

Everybody wants to know
If you're sweeeet
Please don't shoot us with a gun
Or that laser by your feet

Here something that you might like

Everybody wants to know
If you're happy of ere
Would you like to buy a home
Live in London or in Rome

Everybody wants to knoe
If you're our friend
In the end

Ooh
Was it someting I said
Was it something I said
That you could never forget

That you could never forgive
