All I know
Is that I want to be by your side
Every single day of my life
I think it's so silly I get so tired
Whenever I'm around you
I know that people say
That you could find someone much better than me
But there's no way
For them to know what's really in my heart
All I know is that I wish I was your only guy
So we could be together all of the time
And I'd be yours and you'd be mine
I hope that I'm not dreaming
I know your parents say
That you're too young to be serious about me
But there's no way
For them to know just how we really feel
Just say you'll always, just say you'll always,
just say you'll always, say you'll always be my girl...
be my girl, be my girl, you'll be my girl, you'll be my
Mrs. Perfect girl...
