She gets up before the sun sets
So she can put some shit in her face
That she can hide behind for the rest of the day

I'm sorry I'm sorry for who you think that you gotta be
I hope these guys you're hanging with will make you
see
That this is not the way it all is supposed to be
I'm sorry I'm sorry for who you think that you gotta be

650 Facebook friends she had used it a week
More than half is guys adding her by her profile pic
The whole school turns around as she walk in the door
What if I had her powers I could rule the world

(rule the world)

I'm sorry I'm sorry for who you think that you gotta be
I hope these guys you're hanging with will make you
see
That this is not the way it all is supposed to be
I'm sorry I'm sorry for who you think that you gotta be

I'm sorry I'm sorry for who you think that you gotta be
What kind of sick society are we livin' in?

I'm sorry i'm sorry for who you think that you gotta be
Sorry sorry for what you think that you gotta be okay

I'm sorry I'm sorry for who you think that you gotta be
What kind of sick society are we livin' in?
