I've been captured by a love I can't explain  
And now you have me and I'm forever changed  
I've abandoned everything I've ever known  
Now I surrender my life is not my own  
I belong to you I belong to you  
I belong to you I belong to you  
I've been captured by a love I can't explain  
And now you have me and I'm forever changed  
I've abandoned everything I've ever known  
Now I surrender my life is not my own  
I belong to you I belong to you  
I belong to you I belong to you  
My life is not my own to you I belong  
I give myself I give myself to you  
My life is not my own to you I belong  
I give myself I give myself to you  
My life is not my own to you I belong  
I give myself I give myself to you
