All Across The Nation  
(the wheels are rolling)

All across the nation  
I've seen this generation  
In a silver plane  
A subway train  
The man was standing there

and I've got my intuition  
There's a game called 'recognition'  
All around the world  
The boys and girls  
Are looking for the same

The wheels are rolling  
All around the world  
The wheels of fortune  
Let me see you turn

Ticket for a destination  
Aboard the new sensation  
A wondering son  
The lucky one  
A London boy in flight

Looking for the satisfaction  
Of that rock 'n' roll reaction  
Heres an invitation  
A reservation  
For all to hear the band

New places, new faces  
This ever-winding road  
Long races at fast paces  
Can be a heavy load
