Wake up in the morning feeling like P. Diddy,
Grab my glasses I'm out the door I'm bout to hit this
city,
Before I leave brush my teeth with a bottle of jack,
Cause when I leave for the night I ain't coming back,
I'm talking pedicure on our toes, trying on all our
clothes,
Scenies blowing up our phones,
Drop topping' playing our favorite CD's pulling up to the
parties,
Trying to get a little bit tipsy

[Chorus:]

Don't stop make it pop,
DJ blow my speakers up
Tonight I'ma fight till we see the sunlight,
Tik tok on the clock,
The party don't stop no

Ain't got a care in the world but got plenty of beer,
Ain't got no money in my pocket but I'm already here,
Now the girls are lining up because they hear we got
swagger,
But we kick em' to the curb because they look like
McJagger

I'm talking bout,
Everybody getting crunk,
Girls trying to touch my junk,
Everybody getting drunk
And we go until they kick us out,
Or the police shut us down,
Police shut us down,
Po Po shut us down

[Chorus]

You build me up you break me down,
My heart it pounds yeah you got me,
With my hands up you got me now,
You got that sound, yeah you got me

Now the party don't start till we walk in,
"You can't handle us, cause we're so f*cking
scandalous,
No one ever planned for us, Woe, Is Me
Get down with us, ATL, raise some hell yo!"

[Chorus]
